5 REASONS WHY YOU WANT TO WORK WITH US

100% PERSONAL ATTENTION

We focus on building rapport and relationships with our clients. We're here for you by telephone or e-mail whenever you need help or have a question. We're here to take you through the process of getting your book published.

100% ROYALTIES

We are one of the few small-scale publishers who gives you a 100% royalty rate on each copy of your book sold through third party distributors.

100% AFFORDABLE

There's never been a more affordable way to publish your book. Not only do you get a phenomenal service, but you get it an affordable rate! There are no hidden fees and we offer three payment plan options.

100% QUALITY

You can count on your creative works to be printed on high-quality paper with matte or glossy cover stock that is UV coated for a sleek look that adds durability and longevity to your books. The spine is perfectly bound for additional longevity.

100% SPEED AND EFFICIENCY

Depending on the size of the project, we guarantee that you'll be a published author in 90 days or less. Imagine completing your book, sending in your manuscript, and then having your first copy sold all in the same month!* It happens!

**We do not guarantee or promise sales for any creative works. We ask that all clients read contracts in full before making a commitment.*

THE PROCESS

1 WE WORK WITH YOU ONE-ON-ONE

Select the package of your choice based on your particular needs. If any adjustments are needed, we'll discuss them and tweak contract accordingly.

We will then prepare an official contract for your review. Once you sign and send back to us, allow 5 business days for a proper response.

2 SELF-PUBLISHING MADE EASY

Send us your manuscript. We'll review it to determine the costs based on your package selection, the size of your book, and total print costs.

We prefer not to reject anyone. We just want to help you get published.

You control the message inside your book, unlike traditional publishers who may try to change or compromise your message.

3 PROFESSIONAL EDITING

We have an on-hand copywriter/editor just for you! We'll help make your words jump off the page to make your book amazing! Our editor provides quality feedback on your work, so know you're in good hands.

Let the professionals turn your manuscript into a book you'll be proud to show your family and friends!

4 PREPPING FOR PUBLISHING

After you submit your manuscript, and depending on your package selection, we take care of everything:

- Cover design, custom book mock-up, and ISBN creation
- Interior formatting and eBook conversion based on industry standards
- Copyright services are available (optional)

5 BOOK PRINT SERVICES

We have access to on-demand printing services for all types of creative works. You even have the option to purchase and hold for your own inventory! Your book can be printed in full color or black/white in any quantity, at any time.

Your books can be printed and shipped within 5-10 business days, not weeks or months. There is no bulk purchase obligation, but the more you buy, the more you save.

6 MARKETING YOUR BOOK

We can help make your book available to thousands of people through Amazon, Kindle Unlimited and Barnes & Noble if available. We offer promotion using our social connections, local organization fellowship and word-of-mouth. We will offer additional marketing services when available to help you promote and publicize your book.

We can also assist with helping you setup your own personal bookstore on your website.
